The Governors' Fund

There is little or no state capital funding for voluntary aided schools like ours so we are very reliant on the generosity of parents, governors and friends who donate to our Governors' Fund. Every penny raised helps to provide and maintain the facilities and curricular provision at St Richard Reynolds.

We ask all our parents to make a one-off or regular monthly, quarterly or annual contribution to the fund. Whilst it is expected, it is not compulsory. Some parents make very substantial donations, some more modest amounts. The amount you give is entirely up to you but as a guide, we would suggest £300 per year, per child or around £6 a week for High School parents and £250 per year, per child or around £5 a week for Primary School parents. These contributions can be Gift Aided so that the College can claim back income tax already paid on the donations.

We do hope you will be able to help the College by donating and in many other ways; the support of parents is very much valued and appreciated and plays a vital role in the success of the College.

WAYS TO GIVE

This is by far the easiest way to donate to the College and allows the College to reclaim Gift Aid automatically.

Please notify the College if you:

- want to cancel this declaration
- change your name or home address
- no longer pay sufficient tax on your income and/or capital gains.

NOTE: If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Please return this form to the College Office.

Our new buildings: Sports Hall Appeal

Our cost of our building programme ran to over £16 million met largely by the RC Dioceses of Westminster and Southwark. This significant investment has provided first class facilities for our pupils now and for generations to come.

It has not, however, cover the cost of all of the facilities that we would like. Whilst we are fortunate in the Borough to have access to high-quality sports facilities, albeit at considerable cost to the College, the addition of a new sports hall at the College would add greatly to the accessibility and quality of our sports provision. The governors borrowed £670,000 to build the shell of the sports hall as part of the main works to save construction costs and VAT. Governors have secured a further interest-free loan of £500,000 in order to complete the sports hall. Work should begin over the summer holidays. In order to pay this off, we need the involvement of the whole College community: local parishes, charities and religious congregations, commercial sponsors amongst others and, of course, from parents, staff, pupils, governors and friends of the College and we are very grateful for the contributions already received.

There are lots of activities and events planned and you can help in a very practical way by making a donation **in addition** to your governors' fund contribution. In order to achieve our target we need pledges of regular donations over three to five of years. Please help if you are in a position to do so. Remember that this school and many, if not most, Catholic schools exist only due to the generosity of generations before us.
